# Antony & Cleopatra

anno'25

The word "anno'25" is written in a large, light beige serif font. A dark red, leafy branch with acorns weaves its way through the letters, particularly the 'n', 'm', 'o', and '2'. The branch starts from the bottom right, goes up through the '2', then down through the 'o', then back up through the 'n' and 'm', finally ending at the top left.
